Messages from the practitioners

Introduction

This year, Creative Futures delivered a multi-arts programme at Kings Cross Academy. Children from Goldsworthy and Perry class worked with professional artists, who guided them in their specialist creative field. Here are some examples of their work.

To hear their songs, please visit the What We Do page at www.creativefuturesuk.com or visit <https://soundcloud.com/creativefutures>

We would like to thank John Lyon's Charity for the Cultural Capital Fund, which enabled Creative Futures the possibility to offer such a rich and varied creative programme.

July 2022

JOHN LYON'S CHARITY

Beautiful – legendary

Beautiful – legendary
 Beautiful – legendary,
 Beautiful – legendary
 Pros!

We are doughnuts we are stars
 We are silly little, silly little bars

Perfectly perfectly perfectly Peaceful...

We are the Very Extraordinary Perry We are the Worthy of Gold Medals Goldsworthy

Together we are Year Two
 And this is what we say to you

We speak the language of soon to the future
 We speak the language of kindness to our hearts
 We speak the language of listen to our teachers
 We speak the language of stinky to farts
 We speak the language of yes to fresh starts

I speak the language of Godzilla to swimming
 I speak the language of monkey butts to laughing
 I speak the language of unicorns to sweet dreams
 I speak the language of cucumbers to Queens

We speak the language of first words to
 Mum, Dadda, No! Doggy!

We speak the language of favourite foods to
 Pizza! Mango! Ice-cream! Doughnuts! Chips!

When we were little, we used to think
 Monsters! Mermaids! teddy bears!
 were real

When we were little we were famous for
 making faces when we ate lemons!
 licking buses!

Crying!
 snotty noses!
 being sick!
 embarrassing dances!

When we are older, we will be famous for

AWESOMENESS

The Very Learny Caterpillars

On Monday, we aced our 9 times tables
 On Tuesday we built papier mache volcanoes
 On Wednesday we discovered similes
 On Thursday we sang our own poetry
 On Friday we explored desert terrains
 On Saturday we went out for the day
 And on Sunday, we got ready to rule the school again

The Very Mythic Year Two Creatures

On Monday we flew to school with Sonic
 On Tuesday we saved the whales with phonics
 On Wednesday we surfed the web with Godzilla
 On Thursday we won Olympic golds for worlds best swimmers
 On Friday we created peace and harmony in the city
 On Saturday we made everyone laugh with our poo jokes
 On Sunday we rested in our pajamas

These are the words that describe who we are
 And these are the things that make us want to sing

Perfectly, perfectly perfectly peaceful

Special

We are 6

We are 6
I love
I want
I need

When we were 5
I loved
I wanted
I needed

When I am 7
I'll love/I'll still love
I'll want / I'll still Want...
I'll need / I'll still need....

Next year we will be in Year 3
We will be older, we will change
We will -----
But we will still -----

Goldsworthy Class Poem

What do angels look like?
A sticky girl?
An old man?
Half person, half fairy
With bird wings?

Dressed in white with a golden halo?
Nobody knows, no-one can say
The picture of God back then
Was different to our picture of God today.

We predict
Angels are electric
Angels are superfast
They speed round the universe

Like supersonic posties
With their arms held by their sides.
Angels brains are huge and lit up like
the internet.

Angels know all about everything,
Every single inch of the world,
All the planets of the galaxy,
Angels can predict what you predict -
Imagine that!

Angels come from the clouds
Which open up to show their way
Angels are a kind of magic,
Angels gave Mary and Joseph powers
Angels fly through time to tell the story
Of Jesus and Christmas.

Angels are miracle messengers
Caring, Strong, Courageous,
They endeavour to bring good tidings
They make everyone want to sing.

Goldsworthy Poems
The Poetry Competition - October 2021

Like fairies or ninjas

We fly through the air

As kind as a family

We care

Imaginations on!

We are free as unicorns

We protect our friends

Like firedogs

Our eyes shine like the golden rings

Of Sonic Hedgehog

Our dreams are colourful

As rainbows

Our stories are magical

Mermaid tales

As fierce as dinosaurs

You can't ignore us

Just admit it

You adore us

Goldsworthy class is

Cool as Mr Hawkes in Sunglasses

Goldsworthy class

Thats us!

Perry Class - Christmas 2021 poem

Jesus Born poem

Baby Jesus was born in a barn on a farm
At the dawn of a December day
He lay in some hay

And his nurses were sheep
And his doctor a donkey
He was ever so sweet
From his head to his feet
They baaa-ed him to sleep
With a song that was wonky

He was good as can be
All the chickens agreed
And Mary his mother
And Joseph his dad
Were happy and proud and excited and glad

But the camels were humpy from all of the wow
They felt a bit jealous and so did the cow
'What's wrong?' whispered Jesus the miracle baby
'Why are you looking so moody and shady?'

'Well YOU came along and took all of the glory'
So Jesus decided to share his birth story!
Praise be to the white sheep, brown cows and gold camels
Grey horses, black goats and the rest of the mammals

Hallelujah red hens, teal ducks, silver geese
All of the birds with their feathers and beaks,
To each living creature big medium and small
Jesus did love you and still loves you all

Ellie Rashid
- Music

Making music with Perry and Goldsworthy has been ever so cool and fun. I was impressed by the creativity and teamwork from everyone.

The rap and song we wrote is special, and we made it together.

So keep this music in your hearts, forever and forever.

Leanne Commins
- Visual Art

I truly enjoyed working with Perry and Goldsworthy, creating giant letters with your names, and exploring collage.

You have been an inspiration and joy to work with.

Keep up your amazing creativity.

You are all fantastic artists.

Francesca Louise Beard
- Spoken Word

A huge, gigantic, enormous, spectacular thank you to Kings Cross Academy and to all of the shining stars of Perry and Goldsworthy classes.

I have had so much fun, every Thursday afternoon, for a whole school year, spending time with you.

Didn't we work hard, playing with rhyme and rhythm, odes and couplets, similes, personification and all things poetry?

You have shown aspiration, courage, endeavour, kindness and resilience! You have creativity sparkling out of your fingertips! My wish for you is that the learning this year with Creative Futures will be like an everlasting stash of magic beans, to plant wherever you go, so that you will always be able to grow your world with art, music, story-telling, theatre and poetry.

Katie Lovell
- Drama

What a fabulous bunch of professionals you all are.

Congrats on finishing your year off with a bang and being an absolutely brilliant company of performers.
